PUBLIC SERVICE
COMMISSION

Dear Mr. Monarch,

Concerning the matter of: Application
of Kentucky RSA #2, Inc. for a Certificate
of Public Convenience and Necessity to
construct a cell site near the inter-
section of Ligonwood Road and Kentucky
56 south of Marion in Bullhead County,
Kentucky. Case # 94-135

Because of problems I have experienced
with lightning and T.V. interference since
the Big Rivers antenna tower was
constructed near my house I do not wish
to see another tower nearby. Since the
Big Rivers tower I have spent several
hundred dollars on phones, T.V.'s, microwave
oven, VCR's and light bulbs after lightning
strikes. Before the tower was put up I
did not have this problem therefore,
I do blame the tower for my losses
and do not want another one located
near my house.

Sincerely,

Wm. H. Workman
